

**INT. COUNSELING CHAMBER - DAY**

The DEEJAY finishes playing a song before announcing the expert ASTROLOGER.

DEEJAY

Hello and welcome to another  
session of extraordinary  
counseling for your every need.

Participants applaud as the ASTROLOGER enters the chamber.

DEEJAY (CONT'D)

Please welcome a top expert in  
Astrology--You know them well. Let  
them not only help you...let them  
heal you!

ASTROLOGER

How are you DeeJay?

DEEJAY

It's on an and popping as always.  
Let's get to it, shall we?

ASTROLOGER

Very well. Who do we have today?

DEEJAY

We have a couple that's a Leo and  
Scorpio, but they can't seem to  
work things out.

ASTROLOGER

A Leo and a Scorpio, you say?  
This is a pairing of a water sign  
and a fire sign.

DEEJAY

And what does that mean?

ASTROLOGER

Water plus fire equals steam.  
Steam can feel good when you're in  
a hot shower.

(Righteously)

But at other times, it can burn  
you really really bad. Like hot,  
boiling water from a stovetop pot.

DEEJAY

Tell it-Break it down, Astrologer!
