

INT. COUNSELING CHAMBER - DAY

The PERSONAL TRAINER is seated and observing the couple standing before him. A DRUG-ABUSING FITNESS MODEL and the MODEL'S MATE look distraught.

PERSONAL TRAINER
So what can I do for you two?

MODEL'S MATE
(nervously)
We need help. They've been acting crazy...ever since they started taking weight-loss drugs.

DRUG-ABUSING FITNESS MODEL
(angrily)
That's not true--I don't need any help.

PERSONAL TRAINER
Quite honestly, you look perfectly fine right now.

DRUG-ABUSING FITNESS MODEL
Of course I do, but none of this comes naturally. My lover doesn't know what it takes to maintain a body like this...

MODEL'S MATE
I love you for more than just your body. But i'll sometimes wake up in the middle of the night and you'll be gone
(starts crying)
for hours.

Audience shrieks with "awwwww." The DRUG-ABUSING FITNESS MODEL fiddles around with their phone.

MODEL'S MATE (CONT'D)
See! Even right now! Who you talking to? What you hiding!?!

The lovers tussle.

DRUG-ABUSING FITNESS MODEL
Hey! This my personal phone!

PERSONAL TRAINER
Alright now! Calm down. Cool it!
