

INT. COUNSELING CHAMBER - DAY

The PERSONAL TRAINER is seated and observing the couple standing before him. STEROID-ABUSING BODYBUILDER and the BODYBUILDER'S LOVER look distraught.

PERSONAL TRAINER
So what can I do for you two?

BODYBUILDER'S MATE
(nervously)
We need help. They've been acting crazy...ever since they started taking steroids.

STEROID-ABUSING BODYBUILDER
(angrily)
That's not true--I don't need your help.

PERSONAL TRAINER
Let me be honest: You do look (and act) juiced up. I've seen your type before in the gym.

STEROID-ABUSING BODYBUILDER
(swearing)
I'm all natural. And even if I wasn't, I got it under control.

BODYBUILDER'S MATE
It's not just the steroids.
They'll sometimes wake up in the middle of the night
(starts crying)
and go out for hours.

Audience shrieks with "awwwww." The Steroid-Abusing Bodybuilder fiddles around with his phone.

BODYBUILDER'S MATE (CONT'D)
What you hiding!?!

The lovers tussle.

STEROID-ABUSING BODYBUILDER
Hey! This my personal phone!

PERSONAL TRAINER
Alright now! Calm down. Cool it!
